WELCOME TO THREE SISTERS CIRCUIT

The iconic motorsport facility at Three Sisters near Wigan recently celebrated its 45th Anniversary, another milestone in its long history as an important part of British motorsport – and of the North West sporting scene.

Lewis Hamilton, Casey Stoner and Neil Hodgson are all Three Sisters 'old boys' and they along with many thousands of enthusiasts in the motorsport world, know why Three Sisters is known as the 'Jewel of the North'.

EXCLUSIVE CIRCUIT HIRE & FUNDRAISING EVENTS

PRODUCT LAUNCH EVENTS

What better way to showcase and encourage your customers to try out your product range in a controlled environment that has that extra special edge? Previous clients have taken full advantage of both the main 1.5km circuit and the newly created multi-activity area within the paddock. Ideal for car, bike and in fact any product launch.

EXCLUSIVE CIRCUIT HIRE

The circuit is a favourite with Track Day Operators as it offers seven day week availability all year round. The venue is also available for testing sessions, private parties and many other motorsport and non-motorsport activities.

PHOTOSHOOTS & FILMING

The circuit is situated just off the M6 motorway and in close proximity to Manchester and Liverpool, making it a great location for photoshoots and filming sessions. In 2019 Carl Fogarty returned to the circuit to shoot a new promotional film; *"Greenlight Television were delighted to be able to film a short promotion with Carl Fogarty at Three Sisters Circuit. Everyone we dealt with at the circuit were friendly, helpful and accommodating. We would not hesitate to use the facility again in the future"*. The venue has also hosted various music videos and general photoshoots.

FUNDRAISING KARTING EVENTS

The perfect exclusive karting event to raise funds. A really fun team event, including a practice and continuous endurance race with driver changes... but there is a difference... you can bid for the grid to ensure your team starts at the front, buy or deduct laps and you can even buy race positions. Auctions and raffles can also be organised.

Put on a great event for you and your friends, motivate your team to work together more effectively or celebrate a special occasion! At Three Sisters Circuit we pride ourselves on our group karting packages - choose from a variety of race formats or simply allow us to create your very own.

Team endurance events are perfect for large groups and companies to encourage bonding, whereas sprint and individual endurance events are perfect for smaller groups and settling friendly rivalries on the track.

EXCLUSIVE KARTING PACKAGES

“ We have been karting at the 3 sisters track a number of times over the last few months and it is hands-down the best in the area by a country mile. Amazing karts, fantastic track, great format and expert staff. Having organised group events at karting tracks all over the Northwest over many years there is nothing else that even comes close. We can't wait for the next one.”

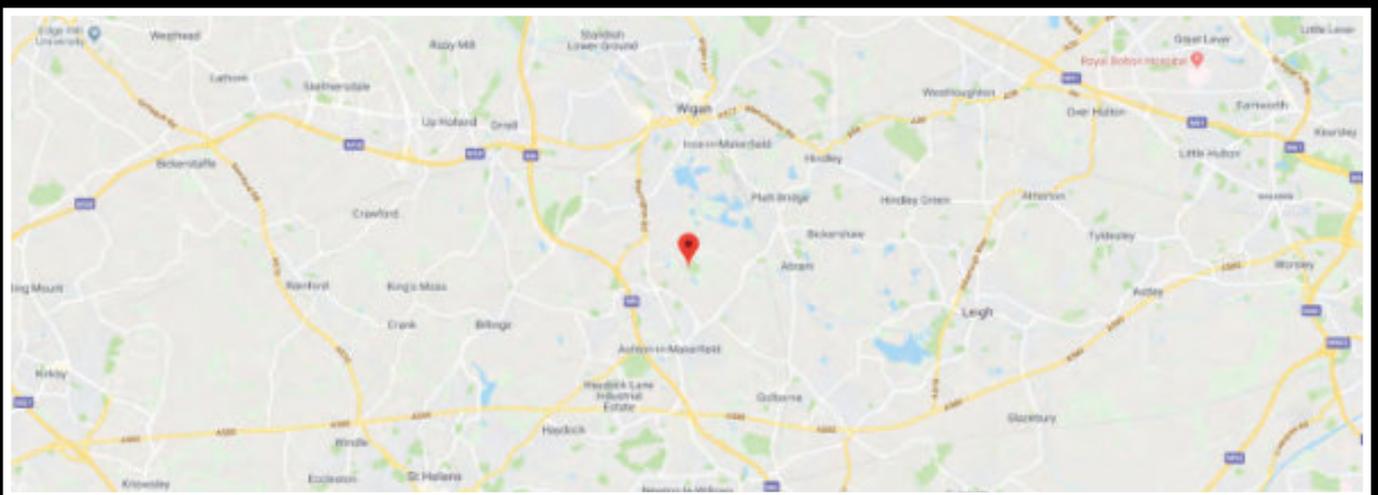

ADRIAN MEAKIN, MD. THE INK SQUID LIMITED

“ Thermosteel Group host an annual event whereby we invite all of our UK-wide staff along to the Three Sisters Circuit for a Team Endurance Race. All of the staff at the circuit are always really accommodating and our teams always talk about the event a long-time afterwards. We were also particularly impressed with the new track surface this year!”

SAMANTHA HILL, MARKETING MANAGER. THERMOSEAL GROUP

“ One of the things we love about holding an event at Three Sisters Circuit is the atmosphere that the local crowd brings in. Everyone is there to really enjoy the action and you get a great mixture of people, from young families to seasoned spectators! Three Sisters was definitely one of the highlights of our events calendar and we've had nothing but positive feedback from it.
