- Drivers are expected to behave in a professional manner.
- Obey all instructions given by circuit staff.
- Obey all rules.
- Be respectful of staff and other event participants.
- All vehicles must have on-board fire extinguishing system bottles which are easily removed when/if required.
- A suitable helmet must be worn at all times whilst on track.
- Tyres must not be left on site. Anyone found leaving tyres at the circuit will not be able to book future events. CCTV is in operation.

Flags, the meanings and Marshals posts

- All flags MUST be obeyed
- Red Flag – the sessions has been stopped for an incident. Slow down and be prepared to stop, no drifting or overtaking and return to the pit lane, unless directed otherwise.
- Yellow Flag or lights – there is a hazard ahead, stop drifting, slow down, do not overtake and be prepared to change direction or stop.
- It is the responsibility of the driver to look out for flags and obey them.
- Failure to obey any flag will result in you being excluded from the rest of the event.

- Marshal's posts will be shown in the drivers briefing.
- The Race Directors decision is FINAL.

Starting Procedures

- If run in sessions the following will apply.
- Groups will be called to the dummy grid via the tannoy system.
- Cars will then be taken onto the starting area.
- Non caged cars will be released one at a time onto the circuit, unless agreed with the Race Director.
- Twinning will be allowed for the caged group only.
- Please use your first few sessions to familiarise yourself with the circuit.
- A Open Pitlane system is also used.

Whilst on Circuit

- Windows are permitted to be open up to 2 inches to allow airflow inside the vehicle.
- Stopping or slowing to a crawl whilst on the circuit is NOT permitted other than in the event of a breakdown.
- Drivers MUST maintain a consistent speed around the circuit when not drifting.
- Passenger windows can be fully open when not carrying a passenger.
- Drivers are expected to leave suitable stopping distances to the car in front, approximately 10 car lengths is expected unless twinning with another driver (see below).
- A maximum of 6 cars will be allowed on the circuit at any time.
- Overtaking is permitted, but you MUST do so in a safe manner.
- In the event of a breakdown put your hazard lights on, pull over to a safe location or return to the pits if possible.
- Warning – Three Sisters Circuit operate penalties, this could result in a Sin Bin penalty, this will be implemented from the start of the event.
- Three Sisters may change circuit layout if required due to accident/breakdown or unforeseen circumstances.
- MCM Ltd will not be held responsible for any on track collisions or damaged caused retrieving cars and returning to the Paddock.

Twinning

- NO twinning is permitted in the Novice or non-caged groups.
- Twinning is allowed in the caged cars only.
- Drivers twinning MUST have permission from each other.
- Drivers twinning are required to line up on the start line.

- Both drivers twinning MUST inform the start line Marshal they intend to do so each time they are going on circuit.
- Twinning is done at your own risk.

Pit and Paddock Areas

- A 10mph speed limit is in effect.
- Only your drift car and one support vehicle are permitted in the paddock.
